To

The Conservator of Forests,
B.C. Belgaum.

Sir,

Subject: Disforestation of an area of 17-30-0 out of
F.S. Nos. 11 & 12 of Ramapur village in Hali-
yal Taluka..

Reference your endorsement No.FOP/DFR/2919/180 dated
11-11-1960.

Formerly, the Deputy Commissioner was not authorised to grant forest lands and the forest land grants were made by him, only after obtaining prior sanction of Government according to the Government Circular, A & F.D.No.8050 dated 5-12-1952, as no general policy regarding disposal of forest land was laid down by Government at that time. Government, however, laid down certain general principles in the matter of disposal of forest land under their G.R., A & F.D.No.FDM-1054 dated 28-1-1955 and the Deputy Commissioner is disposing of forest lands released by the Forest Department subject to the policy decisions of Government regarding land grants, land tenures and land holdings contained in the G.R.R.D.No.LND-3953-B dated 20.8-1954 (Vide para 2 of the G.R. referred to above).

Similarly, encroachments on forest lands, are regularised by the Deputy Commissioner according to the orders contained in the G.R., A & F.D.No.FDM-1054 dated 7-3-1955.

Thus, after receipt of the above cited 2 G.Rs, no prior sanction of Government is being obtained and draft notifications together with the case papers are submitted to Government for publication in the Gazette by Government under section 27 of the Indian Forest Act.

Land grant made in this particular case was in accordance with the Government orders referred to above and as such, reference of those Government Resolutions was made in the final order passed by this office (Page 197) . Draft notifications are also submitted to Government in this case for

publication in the Government Gazette under section 27 of
the Indian Forest Act, which amounts to 'disforestation'
of the forest area by Government.

For the above reasons the question of obtaining
Government sanction does not appear necessary.

The case papers (P-1- 246) accompany.

Yours faithfully,

No. FOR-SR-777.
Belgaum. 20-6-1961.

Forwarded with compliments to the Conservator of Forests, Belgaum Circle, Belgaum for further action, in continuation of this office endorsement of even No. dated 13-8-1960.

2. Since the issue of G.R.A. and F.D. No. FDM-1054 dated 28-1-1955 which contains general instructions regarding disposal of forest lands in N. Kanara district, a number of such cases have been forwarded to Government through the Chief Conservator of Forest, but in none of these cases such doubts have been raised. In this case the objection is raised presumably because of the incorrect wording in the Deputy Commissioner's Order at page 197 indicating that the Deputy Commissioner has got powers to disforest forest lands. This is really not the case. The Deputy Commissioner is required to indicate his agreement to disforest the lands and to its subsequent disposal for the purpose mentioned in the Government Resolution mentioned above and then submit proposals to Government to disforest the land, with necessary draft notification. This is being done in all such cases and in no case the prior approval of Government has been taken in the cases covered by the Government Resolution in question.
